Monday night the commodious Bierbower home in West Fourth street was the scene of a most joyous and pleasant occasion. The assemblage was in honor of Mr. Richard King of Baltimore who, with his wife, nee Miss Mary Bierbower, are here on a visit to their relatives.

The gathering was exclusively lady friends of the family, who were present to extend congratulations and good wishes to the distinguished and venerable gentleman who on that night celebrated the anniversary of his eighty-first birthday.

The spacious rooms were befittingly decorated and perhaps the most unique affair was the eighty-one lighted candles—one for each birthday—that surrounded a large wedding cake in the center of the table.

After partaking of the good cheer provided and spending a season in intellectual converse, the guests departed with many well wishes for the honored gentleman, that he might have many recurrences of the day.

REPUBLICAN CONGRESSIONAL CONVENTION.

To the Chairmen of the Various Counties of the Ninth Congressional District: Pursuant to the order of the District Committee, you are hereby respectfully requested to cause the Republicans of the various counties of said District to meet in mass Convention at their respective county seats Wednesday, Oct. 5th, 1904, at 1 p. m., for the purpose of selecting delegates to attend a Convention to be held at Maysville, Ky., on Thursday, October 6th, 1904, at 11 a. m., for the purpose of nominating a Republican candidate for Congress for the Ninth Congressional District.

The basis of representation shall be the same as governed the Cynthiana Convention.
By order of the Committee, J. B. BENNETT, Chairman.
John D. Littlejohn, Secretary.

REPUBLICAN COUNTY CONVENTION.

The Republicans of Mason county are requested to meet at the Courthouse in Maysville on Wednesday afternoon, October 5th, 1904, at 1 o'clock, for the purpose of choosing Delegates to the Congressional Convention, which meets Thursday, October 6th, at 11 o'clock a. m., to nominate a candidate for Congress.
W. E. STALLCUP, Chairman.

Just now the Lieutenant-Governor's pathway is full of Thornes.

Eighty-nine foreigners confessed in New York that they had secured their naturalization papers by fraud. Doesn't that number seem unusually large, in view of the fact that bogus certificates are furnished by the thousands.

Don't forget! The Mason County Republican Convention, to choose Delegates to the Congressional Convention, will be held at the Courthouse today—Wednesday, October 5th, at 1 p. m.

The Congressional Convention of the Ninth District to nominate a candidate for Congress will be held at the Courthouse in Maysville Thursday, October 6th, at 11 o'clock a. m.

The change has been made because it is necessary that the certificate of nomination must be filed with the Secretary of State thirty days before the election.

Johnny, get your gun; and be sure to come!

ACTING GOVERNOR THORNE was tender-hearted enough to pardon murderer BUCHTER; but he can't find anyone who is tender-hearted enough to pardon him.

THERE'S a lie out somewhere. In granting a pardon to CLEM BUCHTER of Louisville,—who brutally murdered his own daughter and wounded his wife; who ought to have been hung but was given a life sentence only by a chicken-hearted Jury,—Acting Governor THORNE put this statement in the record—

"This poor fellow has been in prison three and a half years. His mind is affected. He can't tell me the day of the week or the month of the year. He don't know when he came to the Penitentiary. His eyesight is about gone, and he has locomotor ataxia. He is in a bad fix physically. The Prison Physician verifies the above statement."

What a pity!
"This poor fellow has been in prison three and a half years!"

Just think of it!
And then think that this "poor fellow's" murdered daughter—murdered foully and brutally by the "poor fellow" himself—has been in her grave about four years; and that the "poor fellow's" wife—shot and dangerously wounded by the "poor fellow" himself—has been suffering four years from the wound that the "poor fellow" intended should send her to the grave with her daughter.

But to THORNE's assertion as to the approval of his statement by the Prison Physician.

When interviewed by the Frankfort Reporter of The Courier-Journal, this is what Dr. H. L. TOBIN, Prison Physician, had to say—

"While in the Penitentiary did BUCHTER give any evidence of insanity?"
"He did not," said Dr. TOBIN.
"Is he suffering from locomotor ataxia?"
"He is not."
"Is he blind or almost blind?"
"He is not," was the reply.

And yet, when Dr. TOBIN made these same replies to Acting Governor THORNE in regard to BUCHTER, Acting Governor THORNE said—
"Well, I intend to pardon him, and I don't care a damn what they say about it!"

Biliousness

"I have used your valuable Cascarets and find them perfect. Couldn't do without them. I have used them for some time for indigestion and biliousness and am now completely cured. Recommend them to everyone. Once tried, you will never be without them in the family."
